HEART GOLD&SOUL SILVER

I'll capture it!!

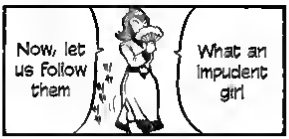
A Level Ball, huh...
She used it to measure how powerful her target is, which she'll use to decide how she'll capture it, huh...
Well, it makes sense
Even then, I can't believe that she's trying to capture Arceus,
the ultimate legend that we've been chasing for so long...
Will you just let her be, Archer!?
The Level Ball didn't work
Then I'll use...
Shut up and watch, Ariana

... Why ...
Why do you have such a sad look?
What matters more than the Pokemon's level and where the ball hits.. is the Pokemon's feelings...
. Arceus, why are you here? What do you desire?
To me, the only way I can find out the answers
is this!!

ギュルルル
!!!
コーン
ピロロロ

No way it'll go down like that!!
It won't go down that easily!!
O-ho-ho-ho-ho!!
Ho

We're going after it!!
Xa-tee!
It's lea-ving!!



What an impudent girl
Now, let us follow them

Why are you guys just standing there!?
Arceus is getting away!!
Exactly, Ariana
Letting it get away is part of our plan

After much research over such a long time, we still can't find its location
Is the Sinjoh ruins
The place that we want to find...
Allow me to explain
However, we do know one thing
can only be opened if one's right beside Arceus...!
The route to the Sinjoh Ruins
What matters
I don't care whether or not that girl will be able to catch Arceus!
Exactly. I'm using that girl!
So in other words...

and show us the way to the Sinjoh Ruins
is that she opens Arceus' heart

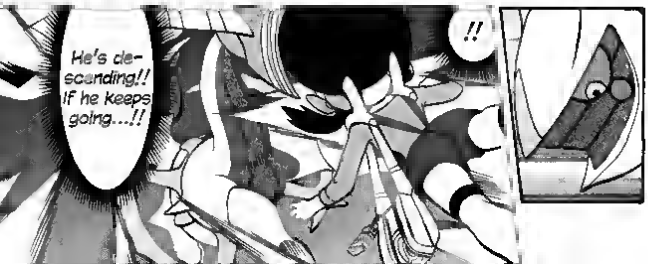
It's the same story with the plates
Archer told me to change my plan
if that red-haired kid is trying to get all of the plates before all us,
then we'll just like him do it

Once he gets all 16 plates,
we'll just take all of them from him

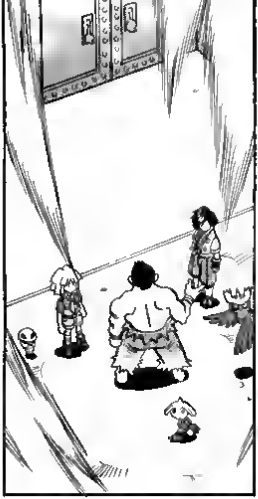
So ...
that's how you guys are going to complete your missions
Ho
O-ho-ho-ho
Fantastic I love the way you do things

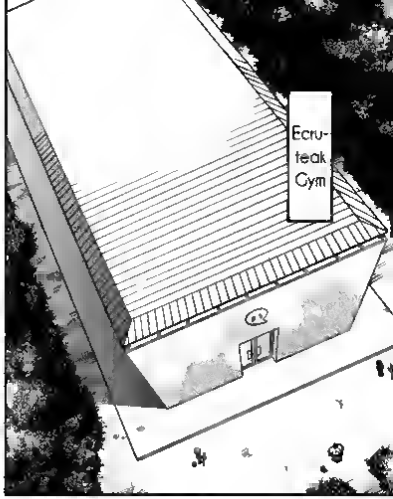
Very soon
Soon ...

Maybe it was just my imagination
I thought that it was opening up to me for a moment...
I need to put in more effort...
No! I can't give up!!



He's descending!! If he keeps going...!!
!!





Ecru-

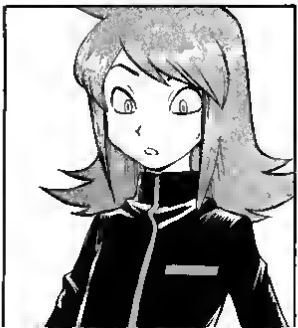
Looks like we've met at a strange place again! What's up, pal!?
Yo!!



I don't know why he's here, but I can explain how I know him...
He's Silver!
But things ended up alright!
Sorry for mistaking him for you
Wait, Gold

Hello, Chuck?
What's going on outside?
トゥルルル
Let's try asking my friends outside

Yo, Mr. Lance! You were supposed to give me information about Arceus,
but it's right in front of me right now!!
Thanks, Explo-taro!!
!!
I want to see it in person!!
I'm regretting that I ever said that
Some-one's on the ground!!
Explo-taro! Stop, stop!!

Hey, wake up!! You gotta get out!!
Explo-taro, let's give him a ride!

!?
Wh-What !?

Are you joking me!? You show up and level the area, then you think you can just fly away!?
I don't get you at all!!
Hey, Arceus
Tell me more about yourself!
Why... did you have such a sad look on your face..
I can help you if you want!
Ar-ceus!!
